Additional information

This Espag. set has a traditional curved detail in the handle with a scroll effect at the end and a thin backplate.

Use in conjunction with multi-point locks - For more information see our guide to locks & latches here.

The handle is not sprung which allows for the upward (locking) movement commonly associated with espagnolette systems and therefore ideal for upvc/timber/aluminium doors.

Supplied with matching bolt fixings suitable for a door thickness of up to 56mm.

Suitable for internal or external use and sold as a set.

Finished in powder-coated Black
