

Pewter Euro Door Pull - Back-to-back Fixing=

Pewter Euro Door Pull - Back-to-back Fixing 90040

Product information

Overall size: 90 x 50mm

Projection: 20mm

Plate thickness: 10mm

Additional information

Used on front doors to match other door fittings from the range.

This cylinder pull should be fitted behind the Euro cylinder to assist in pulling the door closed.

This back-to-back fixing door pull fits to either side of your door and pulls tight towards each other for a secure fit.

Bolt heads are viewable from one side only to also give extra security and this product comes supplied with both 50mm and 60mm bolts to allow for various door thickness.

Suitable for internal or external use but maintenance instructions must be followed to preserve the finish of your product.

Finished in Pewter
