

Ts.4204dabc.slfb.snpsnp

TS.4204 Size 2-4 Contract Door Closer
Satin nickel arm and cover

Style and performance are increased in the TS.4204 door closer range – ideal for the larger doors and weights for the mid-range contracts. Available in vary power size EN2-4, they're CE marked and classified to meet and exceed European standards. These door closers are tested to 120 minutes in successful EN 1634 fire tests.

This product is also available in a range of metal finishes which complements the Rutland Range of high quality finishes like the Satin Nickle, Polished Nickle and Polished Brass finishes.
