Additional information

Our avon lever handles are our signature design and are extremely popular for their simplicity. The lever is hammered into shape by hand, giving it a contemporary yet individual edge.

Our external beeswax is unique to "From the Anvil" and is manufactured from an anti-corrosive beeswax which is salt tested to 480 hours. It has a matt richness and similarly to our standard beeswax the depth of colour ranges from blue to deep red ochre.

Designed to match the avon window furniture in the range.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for external doors where multi-point locking is required.

Set includes an internal and external lever espag lock handle.

Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching SS bolt through fixings.
