

Anvil Reeded Night Vent Locking Fastner Pol/bronze

Product information

Handle Length: 132mm (overall: 152mm)

Fixing Plate: 63mm x 16mm

Keep Plate: 63mm x 14mm

Keep Projection: 23mm

Additional information

A classic Regency style handle designed to offer security whilst providing some ventilation. It is night venting and can therefore be locked in both the open and shut positions.

The design matches the Reeded stays and door handles in our range and is made from solid bronze which achieves a timeless elegance.

Overtime and through use the solid bronze will slowly lighten in colour resulting in a beautiful subtle patine look.

The fastener has a locking mechanism by way of grub screw and comes supplied with two receiver or keep plates for both left and right handed windows.

Sold with key and fixing screws.

Finished in Polished Bronze
