## Additional information

The newbury handle is part of the period range of window furniture. A simple subtle design that will suit any setting.

Our weighty newbury window handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

A highly polished finish with a nickel plating applied to solid brass which is salt tested to 480 hours. Similar to a polished chrome finish but with much warmer tones.

Designed to fit casement windows and match the newbury stays and door handles in the range.

Reversible design and includes mortice and hook plates for different fitting options.

The fastener has a locking mechanism by the way of a grub screw.

Suitable for use with weather-stripped windows.

Supplied with matching wood screws.
