

Kirkpatrick 754 Lever Handle

This Antique design Lever Handle 754 is inspired by a timeless design and will add a touch of elegance to both interior and exterior doors. This product is perfect for period or modern properties.

A stippling method and slightly glossy finish have been applied to create this Antique style effect.

This product is spring loaded with a two coat protective finish. It is available in Lock, and Latch versions. (Please note only the lock version is pictured)

Please note: This product is priced in pairs.
