

Kirkpatrick 2471 Lever Handle

The beautiful Antique Lever Handle 2471 is a quirky twist on the usual lever handle design. The small flower like back plate creates a unique design feature that is suited to both modern and traditional style properties.

Due to the nature of the backplate, this product is only available in Latch making it only suitable for interior use. The Lever Handle 2471 is spring loaded and has a two coat protection finish.

Please note: This product is priced in pairs.
