

Kirkpatrick 4320 Smooth Thumb Latch

The simplistic Smooth Thumb Latch 4320 features a smooth finish, rather than our traditional Antique Black. It is extremely strong and heavy duty latch set making it the ideal products for heavier doors and gates. This is an example of a Norfolk Latch because it features a handle mounted on to a back plate.

These thumb latches are available in Kirkpatrick's iconic black coating, or manufactured in a more durable galvanised finish.

Plate size: 247 x 59mm
 Size inside handle: 108mm
 Latch size: 228mm

Price

Black (Product reference 9103-20690)	£41.19
Galvanised (Product reference 9103-20691)	£51.58
