

Kirkpatrick 6080 Blacksmith Forge Letter Plate

The Blacksmith Forge Letter Plate 6080 is part of the smooth iron range.

Blacksmith Forge products are inspired by the iconic gothic architecture of the late medieval period, but have been adapted to incorporate a 21st century design flair.

A smooth iron finish is applied to Blacksmith Forge products, creating a contemporary and sleek design suitable for both modern and traditional homes.

This decorative letter plate will compliment the design of any front door and create a desirable look your visitors will admire for years to come.
