

Delamain flower Knob - satin nickle

Product Description

An unusual flower-design door knob set, offering an unusual and tactile design. Solid brass base material, finished in popular satin nickel. (also available in other finishes)

measures 70mm rose diameter, and 55mm knob diameter.

please note these knobs are unsprung, so we suggest using the delamain DL5030 heavier sprung mortice latch if on doubt.

we also recommend using at least 75mm long mortice latches (as with all knob furniture)

supplied with concealed fixings and spindle bar
